Hello, I'm Avinash Pal

B.Tech 1st Year – CSE (AI & ML)

"Aspiring AI Engineer | Tech Enthusiast"

[View My Work](#)

About Me

I am a dedicated 1st-year B.Tech student at KIET specializing in Computer Science with a focus on AI & Machine Learning. I enjoy exploring new programming languages and frameworks and I am passionate about using technology to solve real-world problems. My hobbies include reading sci-fi novels and playing badminton. My goal is to develop innovative AI solutions that make a positive impact.

Technical Skills

C Python HTML CSS AI/ML Basics Git

My Projects

Calculator Website

A simple, functional web calculator built purely with HTML and CSS for layout and styling, demonstrating basic frontend skills.

Basic Portfolio

The first iteration of my personal portfolio website, focusing on semantic structure and responsive design principles.

Simple To-Do App

A command-line To-Do list application developed using Python, showcasing fundamental programming logic and file handling.

Get In Touch

I'm always open to new learning opportunities and connections. Feel free to reach out!
